

Treatment of Knee and Shoulder Arthritis with Biologic Injection Therapies

Participating Physicians:

Brian J. Cole, M.D., M.B.A.

Nikhil N. Verma, M.D.

Adam B. Yanke, M.D.

Brian Forsythe, M.D.

Anthony A. Romeo, M.D.

DESCRIPTION

All patients receiving biologic injections to treat knee or shoulder osteoarthritis in the clinical office setting will be prospectively followed as we are interested in tracking the outcome of these therapies

If you are interested in learning about available biologic injection treatments, please contact biologicstudies@rushortho.com or call 833-334-9924.
