

CURRICULUM VITAE

Anthony A. Romeo, M.D.

Rush-Presbyterian-St. Luke's Medical Center
1725 W. Harrison St., Suite 1063
312/243-4244
Fax: 312/243-8925

PRESENT POSITION

Associate Professor, Department of Orthopaedics
Rush Medical College
Rush-Presbyterian-St. Luke's Medical Center
Chicago, IL

POST GRADUATE TRAINING

Fellowship
Shoulder and Elbow Service
Department of Orthopaedics
University of Washington
Seattle, Washington
August 1992 - July 1993
Director: Frederick A. Matsen, III, M.D., Chairman, Department of Orthopaedics

Residency
Department of Orthopaedic Surgery
The Cleveland Clinic Foundation
Cleveland, Ohio
July 1988 - June 1992

Internship
Department of General Surgery
The Cleveland Clinic Foundation
Cleveland, Ohio
July 1987 - June 1988

EDUCATION

M.D., St. Louis University, St. Louis, Missouri, May 1987

B.S., University of Notre Dame, Notre Dame, Indiana, May 1983

FACULTY POSITIONS

Associate Professor, Department of Orthopaedics
Rush-Presbyterian-St. Luke's Medical Center
Chicago, Illinois
July 1993 to present

Acting Instructor, Shoulder and Elbow Service
Department of Orthopaedics
University of Washington
Seattle, Washington
August 1992 - July 1993

HOSPITAL POSITIONS

August 1993 to Present
Medical Staff
Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois

December 1994 to Present
Medical Staff
Oak Park Hospital, Oak Park, Illinois

August 1992 to July 1993
Staff Surgeon
University Hospital, Seattle, Washington
Veterans Administration Medical Center, Seattle, Washington
Harborview Medical Center, Seattle, Washington
Children's Hospital and Medical Center, Seattle, Washington

HONORS

- 1999 Selected for Strathmore's Who's Who in Healthcare, Millennium Edition
- 1998 Selected for The Best Doctors in America, Fourth Edition
- 1998 Resident/Fellow Basic Science Essay Award, Arthroscopy Association of North America. Moskal M., Harryman D.T., Romeo A.A., Sidles J.A., Rhee Y.G.: Genohumeral Motion after Complete Capsular Release Presented at 1998 AANA Annual Meeting, May 1, 1998, Orlando, Florida
- 1998 Outstanding Scientific Poster Presentation, Rush University Research Forum. Bicos J., Romeo A.A. In Vivo Analysis of Shoulder Motion. Rush-Presbyterian's-St. Luke's Medical Center, Chicago, Illinois, February 27, 1998.
- 1998 Selected for Who's Who in Medicine and Healthcare, Second Edition
- 1997 Rush Department of Orthopaedic Surgery Residents Research Award. Hasan S., Romeo A.A.: Osteoneorosis of the Humeral Head, May 18, 1997.
- 1997 Selected as one of the Top Doctors in Chicago, Field of Orthopaedic Surgery Chicago Magazine, January 1997.

- 1992 Chief Resident, Department of Orthopaedic Surgery, The Cleveland Clinic Foundation
- 1987 Distinguished Alumni Award, Best All-Around Medical Student, St. Louis University School of Medicine
- 1987 Alpha Sigma Nu Honor Society, St. Louis University School of Medicine
- 1986 Alpha Omega Alpha (AOA) Honor Society, St. Louis University School of Medicine
- 1979-83 Varsity Football, University of Notre Dame
- 1979 Valedictorian, Highland High School, Pocatello, Idaho

BOARD CERTIFICATION

American Academy of Orthopaedic Surgery, Board Certified
Passed Part 1 (Written) – July 17, 1992
Passed Part 2 (Oral) – July 13, 1995

Diplomate, National Board of Medical Examiners, 1988

LICENSE TO PRACTICE MEDICINE

State of Illinois
July 1993 to Present

MEDICAL ORGANIZATIONS

National:

- Fellow, American Academy of Orthopaedic Surgeons
- Associate Member, American Shoulder and Elbow Society
- Arthroscopy Association of North America
- American Orthopaedic Society for Sports Medicine
- American Medical Association
- National Board of Medical Examiners, Diplomat
- Alpha Omega Alpha (AOA) Honor Society
- Alpha Sigma Nu National Jesuit Honor Society
- Notre Dame Orthopaedic Society, Founder and President

Regional:

- Illinois Orthopaedic Society

Chicago Medical Society

Illinois State Medical Society

Mid-America Orthopaedic Association

St. Louis University Medical School Alumni Association

DEPARTMENTAL COMMITTEES

Chairman, Department of Orthopaedic Surgery Residency Selection Committee, 1999 to Present

Shoulder Pathway Process Improvement Committee, Rush-Presbyterian-St. Luke's Medical Center, 1996-1999

Orthopaedic Department Residency Selection Committee, 1996-1998

Orthopaedic Department Residency Review Committee, 1994-1996

Rush Arthritis and Orthopaedic Institute Outcomes Committee, 1995-1996

NATIONAL COMMITTEES

2001 Closed Meeting Program Committee, American Shoulder and Elbow Surgeons, 2000 to present

Shoulder Subsection, Orthopaedic Learning Center Committee, Arthroscopy Association of North America, 1998 to present

Subcommittee of Shoulder and Elbow Evaluation, American Academy of Orthopaedic Surgeons, 1996 to 1998

Fellowship Examination Committee, American Orthopaedic Society for Sports Medicine, 1997 to 1998

SPECIAL RESPONSIBILITIES

1996 to present Consultant, River North Dance Company, Chicago, Illinois

1996 Consultant, Ameritech Cup Women's Professional Tennis Tournament, Chicago, Illinois, October 28-November 3, 1996

1994 to present Founder, Notre Dame Orthopaedic Society

1990 Medical Advisor, District Level, Crisis Intervention Team, Independence School Board

1990-1991 Resident Selection Committee, The Cleveland Clinic Foundation

1988-1991 Team Physician, Varsity Football, Independence High School, Cleveland, Ohio

1988-1991 Consultant, Athletic Department, Independence High School, Cleveland, Ohio

- 1987-1991 Physician in Attendance, Cleveland Ballet Company, Cleveland Opera Company
- 1984-1987 Medical Student Selection Committee, St. Louis University School of Medicine

RESEARCH ACTIVITIES

1. A Prospective Multicenter Outcome Study of Arthroplasty for the Treatment of Combined Glenohumeral Arthritis and Massive Rotator Tears. Romeo A.A., Hawkins R.H.
2. Prospective Outcome Analysis of Arthroscopic Bankart Repairs. Romeo, A.A., Carriera D., Deuschle J.
3. Retrospective Clinical Investigation of the Safety, Efficacy, and Clinical Outcomes of the Thermally Activated Capsular Shift Procedure using the Oratec Interventions, Inc. ORA-50 Electrothermal Generator and TAC-S Probe Delivery System. Multicenter study sponsored by Oratec Interventions, Inc. Menlo Park, California.
4. Anatomy of the proximal humerus bare area. Kuo E., Romeo A.A., Williams J.
5. In vivo analysis of shoulder motion. Romeo A.A., Bicos J., Toney M.K.
6. Prospective Outcome Analysis of Arthroscopic Type 2 SLAP Repairs in Worker's Compensation Patients. Garretson R., Romeo A.A.
7. Scapulothoracic Fusion for Fascioscapulothoracic Dystrophy. Romeo A.A.
8. Anatomic Relationships of the Extensor Carpi Radialis Brevis at the Elbow for Arthroscopic Treatment of Lateral Epicondylitis. Hennigan S., Cohen M.S., Romeo A.A.
9. Results of Arthroscopic Distal Clavicle Resection. Romeo A.A., Didonna M.

Funded:

1. Outcome assessment tools for the Evaluation of Rotator Cuff Surgery. Romeo A.A., Bush-Joseph C.A., Bach B.R., Research Grant, Granger Fund, Rush Arthritis and Orthopaedic Institute, 8/1/95.
2. Ultrasound Evaluation of Arthroscopic Rotator Cuff Repairs. Romeo A.A., Cohen B., Research Grant, Granger Fund, Rush Arthritis and Orthopaedic Institute, 10/99.

JOURNAL GUEST EDITOR

1. Romeo A.A., Treatment of Shoulder Instability in the Athlete. Operative Techniques in Sports Medicine, July 2000.

MANUSCRIPTS/PUBLICATIONS

Peer-Reviewed Journals:

Poster Presentation: The 104th Annual Meeting of the American Orthopaedic Association, Palm Beach, Florida, June 1991.
15. Hallus Valgus and Great Toe Function. Romeo A.A., Alexander I.J., DeLozier, G.: American Orthopaedic Foot and Ankle Society, Annual Summer Meeting, Banff, Canada, June 1990. Published, Orthopaedic Transactions, Fall 1991, p. 647.

POSTER EXHIBITS

1. Romeo A.A. Shoulder information available on the internet; is it accurate? San Francisco, California, February 28 through March 4, 2001.
2. **Romeo A.A., Carriera, Dominique S. Outcome Analysis of Arthroscopic Bankart Repair Using Suture Anchors: Minimum 2-year follow-up. SECEC ESSE 14th Congress of the European Society of the Shoulder and the Elbow. Lisbon, Portugal, September 22, 2000.
3. Hennigan S.P., Romeo A.A., Cohen M.S., Gordon M., McDonough K. Anatomic Relationships of the Extensor Carpi Radialis Brevis Origin at the Elbow for Arthroscopic Treatment of Lateral Epicondylitis. American Academy of Orthopaedic Surgeons Annual Meeting, Orlando, Florida, March 15, 2000.
4. Romeo A.A., Carriera D. Outcome Evaluation of Arthroscopic Bankart Repairs: Minimum 2-year follow-up. Congress of the European Society for Surgery of the Shoulder and Elbow. The Hague, The Netherlands, September 8-11, 1999.
5. Carriera D., Romeo A.A. A Prospective Outcome Evaluation of Arthroscopic Bankart Repairs. University of Illinois Medical Student Forum, January 29, 1999 (Third Place Award).
6. Bicos J., Romeo A.A. In Vivo Analysis of Shoulder Motion. Rush University Research Forum, Rush-Presbyterian's St. Luke's Medical Center, Chicago, Illinois, February 27, 1998. 7th International Congress on Surgery of the Shoulder, Sydney, Australia, October 5-8, 1998.
7. Kuo E., Romeo A.A., Williams J.: Humeral Head Cysts: A Sign of Rotator Cuff Disease or Normal Anatomy? Rush University Research Forum, Rush-Presbyterian's St. Luke's Medical Center, Chicago, Illinois, February 27, 1998.
8. Romeo A.A., Bach Jr., B.R.: Scoring Systems for Shoulder Conditions—The Lack of Gold Standard. AAOS 62nd Annual Meeting, Orlando, Florida, February 18, 1995.
9. Romeo A.A., Watson J.T.: Three Dimensional CT and Computer-Assisted Production of Bone Models for Preoperative Planning of Complex Elbow Trauma Reconstruction. 58th Annual Meeting of the American Academy of Orthopaedic Surgeons, Anaheim, California, March 1991.

MULTIMEDIA/CD/VIDEO

1. Total Shoulder Replacement. "Selective Exposures for Shoulder Surgery" CD-ROM from the Academy of Orthopaedic Surgeons, 2000.

OTHER PROJECTS

1. Design team for the Tornier Aequalis Universal Glenoid Prosthesis System, Montbonnet, France, April 1999 to present.
2. Design team for the Tornier Aequalis Press-Fit (Non-Cemented) Shoulder Prosthesis, Montbonnet, France, April 1999 to present.
3. Clinical Investigator, Tornier Aequalis Cemented Shoulder Prosthesis Clinical Study, Strafford, Texas, September 1996 to present.
4. Participant, Multicenter Study on the Effectiveness and Safety of Oratec Electrothermal Arthroscopy for the treatment of Shoulder Instability, March 1999 to present.
5. Participant, Orthopaedic Research and Education Foundation Multicenter Rotator Cuff Study, Shoulder and Elbow Service, Department of Orthopaedics, University of Washington, Seattle, Washington, 1997.
6. Orthopaedic Grand Rounds. Posterior Dislocations of the Shoulder. Romeo A.A., Matsen III, F.A. AAOS Annual Meeting, 1997.
7. Clinical Investigator, Global Total Shoulder Prosthesis Clinical Study, DePuy Inc., Warsaw, Indiana, 1994-1997.

PRESENTATIONS

2001:

1. Nonoperative and Nonprosthetic Surgical Management of Osteoarthritis of the Shoulder, Romeo A.A. Baptist Hospital Tenth Annual Total Joint Replacement Conference, Nashville, TN, May 4, 2001.
2. Anatomic and Biomechanical Considerations in Total Shoulder Arthroplasty, Romeo A.A. Baptist Hospital Tenth Annual Total Joint Replacement Conference, Nashville, TN, May 4, 2001.
3. Open vs. Arthroscopic Treatment of Glenohumeral Instability, Romeo A.A. AANA 20th Annual Meeting, Washington State Convention & Trade Center, Seattle, WA, April 20, 2001.
4. How to Get Good Results Using a Hemiarthroplasty for Proximal Humerus Fractures, Romeo A.A. Maricopa County Hospital, Department of Orthopaedic Surgery Resident Lecture Series, Phoenix, AZ, March 30, 2001.
5. Making the Transition From Open to Arthroscopic Cuff Repairs, Romeo A.A. Maricopa County Hospital, Department of Orthopaedic Surgery, Grand Rounds, Phoenix, AZ, March 28, 2001.
6. Arthroscopic Repair of Rotator Cuff Tears. Romeo A.A., University of Chicago, Department of Orthopaedic Surgery, Grand Rounds, Chicago, IL, March 21, 2001.

7. Multi-Directional Instability. American Academy of Orthopaedic Surgeons, Romeo A.A. Lake Tahoe, NV, February 1, 2001.
8. The Role of Rotator Interval Closure. American Academy of Orthopaedic Surgeons, Romeo A.A. Lake Tahoe, NV, February 1, 2001.
9. Thermal Capsulorrhaphy. American Academy of Orthopaedic Surgeons., Romeo A.A. Lake Tahoe, NV, February 1, 2001.
10. Arthroscopic Acromioplasty and Distal Clavicle Excision. American Academy of Orthopaedic Surgeons, Romeo A.A. Lake Tahoe, NV, February 1, 2001.
11. Technical Pearls for Shoulder Arthroscopy. American Academy of Orthopaedic Surgeons, Romeo A.A. Lake Tahoe, NV, February 1, 2001.
12. Shoulder Stiffness, How Etiology Influences Treatment Results, Robert W. Metcalf, MD Memorial. Romeo A.A. Sun Valley, Idaho, January 14, 2001.
13. Surgical Alternatives and Options for the Open Treatment of Massive Rotator Cuff Tears, Robert W. Metcalf, MD Memorial. Romeo A.A. Sun Valley, Idaho, January 15, 2001.
14. Open Reduction and Internal Fixation of Proximal Humeral Fractures, Robert W. Metcalf, MD Memorial. Romeo A.A. Sun Valley, Idaho, January 15, 2001.
15. Post Traumatic Shoulder Arthritis, Classification and Treatment Options Including Total Shoulder Replacement, Robert W. Metcalf, MD Memorial. Romeo A.A. Sun Valley, Idaho, January 15, 2001.
16. Considerations in Cementless Prosthesis Design, Robert W. Metcalf, MD Memorial. Romeo A.A. Sun Valley, Idaho, January 16, 2001.

2000:

1. Thermal Capsular Shrinkage. American Orthopaedic Society for Sports Medicine, Romeo A.A. Scottsdale, Arizona, December 8, 2000.
2. Posterior Instability. American Orthopaedic Society for Sports Medicine, Romeo A.A. Scottsdale, Arizona, December 8, 2000.
3. AC Joint Separations and Their Surgical Reconstruction. American Orthopaedic Society for Sports Medicine, Romeo A.A. Scottsdale, Arizona, December 7, 2000.
4. Arthroscopic Shoulder Stabilization: Indications and Techniques (Five O'Clock Portal), American Association of North America. Romeo A.A. Palm Desert, California, November 17 and 18, 2000.
5. **Advances in the Treatment of Rotator Cuff Tears and Arthroscopic Treatment of Shoulder Instability, Midwest Orthopaedics at Rush. Romeo A.A. Chicago, Illinois, November 2, 2000.
6. Arthroscopic Cuff Repair: Indications, Techniques, American Academy of Orthopaedic Surgeons, Romeo A.A. Rosemont, Illinois, October 27-29, 2000.

7. Arthroscopic Knot Tying (Videotape Presentation). American Academy of Orthopaedic Surgeons, Romeo A.A. Rosemont, Illinois, October 27-29, 2000.
8. Arthroscopic Stabilization for Anterior Instability: Indications and Techniques. American Academy of Orthopaedic Surgeons, Romeo A.A. Rosemont, Illinois, October 27-29, 2000.
9. Concurrent Surgical Skills Sessions (Live Surgical Demonstration). American Academy of Orthopaedic Surgeons, Romeo A.A. Rosemont, Illinois, October 27-29, 2000.
10. Anterior Shoulder Instability: Indications for Open vs. Arthroscopic Stabilization. American Academy of Orthopaedic Surgeons, Romeo A.A. Rosemont, Illinois, October 27-29, 2000.
11. **Total Shoulder Exposure/Replacement. Saddleback Memorial Medical Center in Conjunction with The Sports Clinic Orthopaedic Medical Associates, Inc., Shoulder Surgery Controversies 2000. Romeo A.A. Costa Mesa, California, October 7, 2000.
12. **How to Get Good Results with Shoulder Prostheses for Fractures: Technical Pearls, Surgical Exposure. Saddleback Memorial Medical Center in Conjunction with The Sports Clinic Orthopaedic Medical Associates, Inc. Shoulder Surgery Controversies 2000. Romeo A.A. Costa Mesa, California, October 7, 2000.
13. **What Causes the Shoulder to Hurt? Failure to Centralize? What are we trying to fix? Saddleback Memorial Medical Center in Conjunction with The Sports Clinic Orthopaedic Medical Associates, Inc. Shoulder Surgery Controversies 2000. Romeo A.A. Costa Mesa, California, October 6, 2000.
14. **Basic Science of Thermal Techniques—How much heat? What happens? Complications? Saddleback Memorial Medical Center in Conjunction with The Sports Clinic Orthopaedic Medical Associates, Inc. Shoulder Surgery Controversies 2000. Romeo A.A. Costa Mesa, California, October 6, 2000.

29. Complex Rotator Cuff Tears: Treatment Alternatives, Advanced Concepts in Shoulder and Elbow Arthroplasty and Arthroscopy, Seabrook Island, South Carolina, May 20, 2000.
30. Arthroscopic Bankart Repairs: Indications and Results. Advanced Concepts in Shoulder and Elbow Arthroplasty and Arthroscopy, Seabrook Island, South Carolina, May 20, 2000.
31. Outcome Analysis of Arthroscopic Bankart Repair Using Suture Anchors. Romeo A.A., Carriera D.S. 16th Open Meeting (Specialty Day), American Shoulder and Elbow Surgeons, Orlando, Florida, March 18, 2000.
32. Outcome Analysis of Arthroscopic Bankart Repair Using Suture Anchors, Romeo A.A., Carriera D.S. 16th Open Meeting (Specialty Day), American Shoulder and Elbow Surgeons, Orlando, Florida, March 18, 2000.
33. Outcome Analysis of Arthroscopic Bankart Repair Using Suture Anchors. Romeo A.A., Carriera D.S. American Academy of Orthopaedic Surgery, Annual Meeting, Orlando, Florida, March 16, 2000.
34. Outcome Analysis of Arthroscopic Bankart Repair Using Suture Anchors. Romeo A.A., Carriera D.S., American Academy of Orthopaedic Surgery, Annual Meeting, Orlando, Florida, March 16, 2000.

35. USA Clinical Experience with the Tornier Aequalis Shoulder System, “Meet the Experts” Symposium, Clarion Hotel, Orlando, Florida. March 15, 2000.
36. USA Clinical Experience with the Tornier Aequalis Shoulder System, “Meet the Experts” Symposium, Clarion Hotel, Orlando, Florida. March 15, 2000.
37. Anatomic Reconstruction of the Proximal Humerus and Prosthetic Design, New England Baptist Hospital Grand Rounds. February 23, 2000.
38. Anatomic Reconstruction of the Proximal Humerus and Prosthetic Design, New England Baptist Hospital Grand Rounds. February 23, 2000.
39. Advances in the Treatment of Rotator Cuff Disease. Case Management Workshops 2000, Physiotherapy Associates, River Forest, Illinois, February 3, 2000.
40. Advances in the Treatment of Rotator Cuff Disease, Case Management Workshops 2000, Physiotherapy Associates, River Forest, Illinois, February 3, 2000.
41. Post-Traumatic Arthritis: Classification and Results of Treatment. Duke Shoulder Arthroplasty Course. Duke University, Durham, North Carolina, January 16, 2000.
42. Post-Traumatic Arthritis: Classification and Results of Treatment. Duke Shoulder Arthroplasty Course, Duke University, Durham, North Carolina, January 16, 2000.
43. Technical Pitfalls: Subscapularis Management and Glenoid Exposure, Duke Shoulder Arthroplasty Course, Duke University, Durham, North Carolina, January 15, 2000.
44. Humeral Press-Fit Fixation: Problems and Possible Solutions. Duke Shoulder Arthroplasty Course, Duke University, Durham, North Carolina, January 15, 2000.
45. Technical Pitfalls: Subscapularis Management and Glenoid Exposure, Duke Shoulder Arthroplasty Course, Duke University, Durham, North Carolina, January 15, 2000.
46. Humeral Press-Fit Fixation: Problems and Possible Solutions. Duke Shoulder Arthroplasty Course, Duke University, Durham, North Carolina, January 15, 2000.
47. Headed BioCorkscrew: Indications and Technique, Metcalf Memorial Meeting, Scottsdale, Arizona, January 14, 2000.
48. Anatomic Reconstruction of the Proximal Humerus and Prosthetic Design, Metcalf Memorial Meeting, Scottsdale, Arizona, January 14, 2000.
49. Headed BioCorkscrew: Indications and Technique. Metcalf Memorial Meeting, Scottsdale, Arizona, January 14, 2000.
50. Anatomic Reconstruction of the Proximal Humerus and Prosthetic Design, Metcalf Memorial Meeting, Scottsdale, Arizona. January 14, 2000.

1999:

1. Anterior Shoulder Instability: Indications for Open vs. Arthroscopic Stabilization, AAOS Shoulder Course, Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium. Rosemont, Illinois, December 11, 1999.
2. Anatomic Reconstruction of the Proximal Humerus and Prosthetic Design, Lake Tahoe Knee and Shoulder Update, Lake Tahoe, Nevada. December 4, 1999.
3. Arthroscopic Repair of Rotator Cuff Tears. Michigan Shoulder Symposium, The University of Michigan Shoulder Group. Ann Arbor, Michigan, November 4, 1999.
4. Thermal Applications for Shoulder Instability. Shoulder Surgery Controversies 1999, Saddleback Memorial Medical Center, Laguna Hills, California, October 29, 1999.
5. Microinstability: Internal Impingement. Shoulder Surgery Controversies 1999, Saddleback Memorial Medical Center, Laguna Hills, California, October 29, 1999.
6. Advances in the Treatment of Rotator Cuff Tears, Midwest Orthopaedics Rehab Luncheon Series, Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois, October 21, 1999.
7. Arthroscopic Treatment of Rotator Cuff Disease, "The Masters Experience" Advanced Shoulder Arthroscopy course, Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, October 15, 1999.
8. Indications for Shoulder Arthroscopy, "The Masters Experience" Advanced Shoulder Arthroscopy course, Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, October 15, 1999.
9. Arthroscopic Repair of Rotator Cuff Tears. Notre Dame Orthopaedic Society, University of Notre Dame, Center for Continuing Education, Notre Dame, Indiana, October 8, 1999.
10. Anatomical Reconstruction of the Proximal Humerus and Prosthetic Design, Shoulder Symposium, 12th Annual International Symposium for Technology in Arthroplasty, Chicago, Illinois, September 25, 1999.
11. Anatomical Reconstruction of the Proximal Humerus and Prosthetic Design. Tornier Workshop, Congress of the European Society for Surgery of the Shoulder and Elbow, The Hague, The Netherlands, September 9, 1999.
12. Type II SLAP Lesions in Worker's Compensation Patients. Romeo A.A. Annual Reunion, University of Washington Shoulder and Elbow Service, Seattle, Washington. July 28, 1999.
13. Total Shoulder Arthroplasty, Live Video Cadaver Demonstration. Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium, AAOS Course #3509, Orthopaedic Learning Center, Rosemont, Illinois, July 11, 1999.
14. Proximal Humerus Fractures: Hemiarthroplasty Reconstruction. Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium, AAOS Course #3509, Orthopaedic Learning Center, Rosemont, Illinois, July 11, 1999.
15. Aqualis Technique: Subscapularis Decisions, Bone Cuts, San Diego Shoulder Arthroscopy and Arthroplasty Course, San Diego, California, June 23, 1999.

16. The Aequalis Concept: Design and Surgical Technique, 3rd Annual Chicago Arthroplasty Course, Rosemont, Illinois, June 18, 1999.
17. Glenoid Replacement: Exposure and Surgical Technique, 3rd Annual Chicago Arthroplasty Course, Rosemont, Illinois, June 18, 1999.
18. Shoulder Arthroplasty by Diagnosis, 3rd Annual Chicago Arthroplasty Course, Rosemont, Illinois, June 18, 1999.
19. Use of a Fracture Jig for Proximal Humerus Hemiarthroplasty, 3rd Annual Chicago Arthroplasty Course, Rosemont, Illinois, June 19, 1999.
20. Current Thoughts on Cementless Shoulder Arthroplasty Designs, 3rd Annual Chicago Arthroplasty Course, Rosemont, Illinois, June 19, 1999.
21. Anatomic Reconstruction of the Proximal Humerus, Current Concepts of Shoulder and Elbow Surgery, University of South Florida College of Medicine, Tampa, Florida. June 4, 1999.
22. Anatomic Relationships of the Extensor Carpi Radialis Brevis at the Elbow for Arthroscopic Treatment of Lateral Epicondylitis, Hennigan S., Cohen M.S., Romeo A.A. Orthopaedic Research and Education Foundation, 1999 Illinois Resident Research Symposium, Chicago, Illinois, May 12, 1999.
23. Overview and Technique of Thermal Treatment of Soft Tissues of the Shoulder, 43rd Annual Conference of the Indiana Orthopaedic Society, Merrillville, Indiana, May 8, 1999.
24. Suprascapular Nerve and Axillary Nerve Lesions. AAOS Course, The Shoulder: A Comprehensive View, Panama City, Florida, April 18, 1999.
25. Failed Instability Surgery and Complications: Evaluation and Treatment, AAOS Course, The Shoulder: A Comprehensive View, Panama City, Florida. April 18, 1999.
26. Prospective Outcome Analysis of Arthroscopic Type 2 SLAP Repairs in Worker's Compensation Patients, Garretson R., Romeo A.A. Residents and Fellows Arthroscopy Course, February 26, 1999.
27. A Prospective Multicenter Outcome Study of Arthroplasty for the Treatment of Glenohumeral Arthritis and Rotator Cuff Tear. Hawkins R., Romeo A.A., 15th Open Meeting (Specialty Day), American Shoulder and Elbow Surgeons, Anaheim, California, February 7, 1999.
28. A prospective Multicenter Outcome Study of Arthroplasty for the Treatment of the Sequelae of Proximal Humerus Fractures. Boileau P., Walch G., Trojani C., Romeo A.A., Sinnerton R. 15th Open Meeting (Specialty Day), American Shoulder and Elbow Surgeons, Anaheim, California, February 7, 1999.
29. A Prospective Multicenter Outcome Study of Arthroplasty for the Treatment of the Sequelae of Proximal Humerus Fractures, Boileau P., Walch G., Trojani C., Romeo A.A., Sinnerton R. American Academy of Orthopaedic Surgery, Annual Meeting, Anaheim, California, February 5, 1999.
30. Anatomic Reconstruction of the Proximal Humerus: The Aequalis Concept, 1999 Metcalf Memorial; Arthroscopy and Reconstruction, Sun Valley, Idaho, January 12, 1999.

31. Parameters and Biomechanics for Shoulder Arthroplasty, 1999 Metcalf Memorial; Arthroscopy and Reconstruction, Sun Valley, Idaho, January 12, 1999.

1998:

1. Anatomic Reconstruction of the Proximal Humerus, 1998 Tahoe Knee and Shoulder Update, Lake Tahoe, Nevada, December 12, 1998.
2. Facioscapulohumeral Dystrophy, Facioscapulohumeral Dystrophy Society Annual Meeting, Denver, Colorado, October 31, 1998.
3. Shoulder Instability, Midwest Orthopaedics Luncheon Seminar, Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois, October 29, 1998.
4. Surgical Technique Using the Aequalis Shoulder Prosthesis, 7th International Congress on Surgery of the Shoulder, Sydney, Australia, October 7, 1998.
5. Cysts of the Humeral Head: A Sign of Rotator Cuff Disease or Normal Anatomy? Romeo A.A., Kuo E., Williams J., 7th International Congress on Surgery of the Shoulder, Sydney, Australia, October 6, 1998.
6. A Prospective Outcome Evaluation of Arthroscopic Bankart Repairs. Romeo A.A., Carreira D. 7th International Congress on Surgery of the Shoulder, Sydney, Australia, October 7, 1998.
7. A Prospective Multicenter Outcome Study of Arthroplasty for the Treatment of Combined Glenohumeral Arthritis and Massive Rotator Cuff Tears, Romeo A.A., Hawkins R. 7th International Congress on Surgery of the Shoulder, Sydney, Australia, October 8, 1998.
8. Anatomic Reconstruction of the Proximal Humerus, Third Annual Notre Dame Orthopaedic Symposium, Notre Dame, Indiana, October 2, 1998.
9. Shoulder Instability. Chicago Orthopaedic Board Review Course, Compass Medical Education Network, Chicago, Illinois, July 15, 1998.
10. Shoulder Reconstruction. Chicago Orthopaedic Board Review Course, Compass Medical Education Network, Chicago, Illinois, January 15, 1998.
11. Elbow Tendinitis and Arthroscopy, Chicago Orthopaedic Board Review Course, Compass Medical Education Network, Chicago, Illinois, July 15, 1998.
12. The Aequalis Concept: Surgical Technique and Soft Tissue Management, San Diego Arthroscopy and Arthroplasty Course, San Diego, California, June 24, 1998.
13. Rehabilitation following Total Shoulder Replacement, Total Joint Rehabilitation Seminars, Holiday Inn Plaza, Chicago, Illinois, June 20, 1998.
14. Complications of Shoulder Arthroplasty, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 13, 1998.
15. Biomechanics related to Shoulder Arthroplasty, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 13, 1998.

16. Complications of Arthroscopic Rotator Cuff Repairs, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 13, 1998.
17. Arthroscopic Stabilization of SLAP Lesions using Suture Anchors, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 13, 1998.
18. Arthroscopic Bankart Repairs using Suture Anchors, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 12, 1998.
19. The Role of Arthroscopy in the Treatment of Shoulder Instability, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 12, 1998.
20. The Evaluation of Shoulder Instability, The Global Shoulder Symposium, Kyung Hee University, Seoul, Korea, June 12, 1998.
21. Anatomic Reconstruction of the Proximal Humerus, Symposium for the ABC Traveling Fellows, University of Chicago, Chicago, Illinois, May 26, 1998.
22. Rotator Cuff Tears: Assessment, Diagnosis, and Treatment, Oak Park Hospital CME Lecture Series, Oak Park, Illinois, May 15, 1998.
23. Aequalis Fracture Jig and Technique, The Aequalis Shoulder Arthroplasty System, Second Annual Chicago Course, Orthopaedic Learning Center, Rosemont, Illinois, May 10, 1998.
24. Shoulder Arthroplasty for Arthritis and Cuff Deficiency, The Aequalis Shoulder Arthroplasty System, Second Annual Chicago Course, Orthopaedic Learning Center, Rosemont, Illinois, May 10, 1998.
25. Shoulder Arthroplasty: Surgical Technique, The Aequalis Shoulder Arthroplasty System, Second Annual Chicago Course, Orthopaedic Learning Center, Rosemont, Illinois, May 10, 1998.
26. Shoulder Arthroplasty: A Historical Perspective, The Aequalis Shoulder Arthroplasty System, Second Annual Chicago Course, Orthopaedic Learning Center, Rosemont, Illinois, May 10, 1998.
27. Electrothermal Arthroscopy: Indications and Technique, Electrothermal Arthroscopy Training Course, Orthopaedic Learning Center, Rosemont, Illinois, May 7, 1998.
28. Glenohumeral Motion after Complete Capsular Release, Moskal M., Harryman D.T., Romeo A.A., Sidles J.A., Rhee Y.G. Arthroscopy Association of North America, 1988 Annual Meeting, Orlando, Florida, May 1, 1998.
29. Occupational Shoulder Disorders, Case Management Seminar, River Forest Physical Therapy Center, Elmwood Park, Illinois, April 2, 1998.
30. Arthroscopic Resection of the Distal Clavicle, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 28, 1998.

31. Arthroscopy Treatment of Still Shoulders, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 28, 1998.
32. Superior Labral Tears, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 28, 1998.
33. The Aequalis Shoulder System, The Metcalf Memorial Shoulder and Knee Arthroscopy Course, The Scottsdale Princess. January 29, 1998.
34. The Aequalis Shoulder System. Current Concepts of Shoulder and Elbow Surgery, The University of South Florida College of Medicine, January 22-24, 1998, Tampa, Florida.

1997:

1. Total Shoulder Arthroplasty: Indications, Technique, Outcomes, Shoulder Surgery--Focused Perspectives on Open vs. Arthroscopic Management, American Academy of Orthopaedic Surgeons, Rosemont, Illinois, December 6, 1997.
2. Arthroscopic Bankart: Indications, Technique Advantages, and Disadvantages of each Technique, Open and Arthroscopic Shoulder Surgery: Current Concepts and Techniques. American Academy of Orthopaedic Surgery, Rosemont, Illinois, December 5, 1997.
3. Management of Brachial Plexus Injuries, Midwest Orthopaedics Sports Medicine Seminar, Oak Park, Illinois, November 15, 1997.
4. Occupational Disorders: Shoulder and Elbow, Hartford Insurance Worker's Compensation Attorneys Seminar, Chicago, Illinois, November 13, 1997.
5. Anatomic Reconstruction of the Proximal Humerus, University of Michigan Shoulder Symposium, Ann Arbor, Michigan, September 30, 1997.
6. Rotator Cuff: Assessment and Diagnosis, Open and Arthroscopic Shoulder Surgery: Current Concepts and Techniques, American Academy of Orthopaedic Surgeons, Rosemont, Illinois, July 12, 1997.
7. Shoulder Instability: Specialty Review in Orthopaedic Surgery, National Center for Advanced Medical Education, Chicago, Illinois, June 22, 1997.
8. Shoulder Reconstruction. Specialty Review in Orthopaedic Surgery, National Center for Advanced Medical Education, Chicago, Illinois, June 22, 1997.
9. Elbow Tendonopathy and Arthroscopy: Specialty Review in Orthopaedic Surgery, National Center for Advanced Medical Education, Chicago, Illinois, June 22, 1997.
10. The Elbow and Sports Injuries, Chicago Sports Medicine Society monthly meeting, University of Illinois at Chicago, Chicago, Illinois, May 15, 1997.
11. Rehabilitation following shoulder arthroplasty for fractures, The Aequalis Shoulder Arthroplasty System, Sponsored by Tornier S.A., Saint-Ismier, France. Chicago Hilton Towers, Chicago, Illinois, April 20, 1997.

12. Complications of shoulder arthroplasty, The Aequalis Shoulder Arthroplasty System, Sponsored by Tornier S.A., Saint-Ismier, France. Chicago Hilton Towers, Chicago, Illinois, April 19, 1997.
13. Surgical Indications and Technique for Shoulder Arthroplasty, The Aequalis Shoulder Arthroplasty System, Sponsored by Tornier S.A., Saint-Ismier, France. Chicago Hilton Towers, Chicago, Illinois, April 19, 1997.
14. Rehabilitation following Total Shoulder Replacement, Total Joint Rehabilitation Seminars, Chicago Executive Plaza Hotel, Chicago, Illinois, April 18, 1997.
15. Superior Labral Injuries. "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, March 1, 1997.
16. Arthroscopic Acromioplasty: Indications and Technique, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 28, 1997.
17. Shoulder and Knee Injuries, CRA Worker's Compensation Conference, McDonald's Corporation, Lisle, Illinois, January 9, 1997.

1996:

1. Arthroscopic Shoulder Stabilization, Midwest Orthopaedics Sports Medicine Seminar, Oak Park, Illinois, December 7, 1996.
2. Clavicle and Proximal Humerus Fractures, AO/Synthes Community Fracture Symposium, Chicago, Illinois, October 16, 1996.
3. Shoulder Injuries in the Workplace: Diagnosis, Treatment, and Return to Work Issues. Intracorp Medical Update, Chicago, Illinois, June 20, 1996.
4. Anterior Glenohumeral Instability, Columbus City-Wide Grand Rounds, Mt. Carmel Health System, Columbus, Ohio, May 31, 1996.
5. Total Shoulder Arthroplasty, Columbus City-Wide Grand Rounds. Mt. Carmel Health System, Columbus, Ohio, May 31, 1996.
6. Update on Rotator Cuff Disease, Sports Medicine Symposium, Steadman-Hawkins Sports Medicine Foundation, Vail, Colorado, March 15, 1996.
7. Indications and Patient Care for Total Shoulder Arthroplasty. Presented at Issues in Orthopaedics: Clinical Results and Economic Outcomes, Vail, Colorado, March 14, 1996.
8. Design Considerations for Total Shoulder Arthroplasty, Presented at Issues in Orthopaedics: Clinical Results and Economic Outcomes, Vail, Colorado, March 14, 1996.
9. Assessment of Rotator Cuff Reconstruction Using Various Shoulder Scoring Systems, Hang D.W., Romeo A.A., Bach Jr., B.R., American Academy of Orthopaedic Surgery Annual Meeting, Atlanta, GA, February 26, 1996.

10. Surgical Treatment of Shoulder Arthritis, Rheumatology Grand Rounds, Department of Rheumatology, Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois, January 19, 1996.

1995:

1. PCL Injuries, Midwest Orthopaedics Sports Medicine Seminar, Oak Park, Illinois, December 2, 1995.
2. Open Treatment of Rotator Cuff Tears, Edward T. Smith Lectureship: Update in Shoulder and Elbow Surgery, University of Texas-Houston Medical School, Houston, Texas, November 3, 1995.
3. Posterior Shoulder Instability, Edward T. Smith Lectureship, Update in Shoulder and Elbow Surgery, University of Texas-Houston Medical School, Houston, Texas, November 3, 1995.
4. Clavicle, Sternoclavicular Joint, and Acromioclavicular Joint Injuries, Edward T. Smith Lectureship: Update in Shoulder and Elbow Surgery, University of Texas-Houston Medical School, Houston, Texas, November 3, 1995.
5. Injuries to the Rotator Cuff and Glenohumeral Ligaments in the Athlete, South Suburban Orthopaedic Meeting, Homewood, Illinois, October 3, 1995.
6. Occupational Shoulder and Elbow Disorders, Worker's Compensation Lawyers Association Annual Meeting, Chicago, Illinois, September 29, 1995.
7. Shoulder Biomechanics: The balance of mobility and stability, Department of Orthopaedic Surgery Monthly Research Seminar, Chicago, Illinois, September 27, 1995.
8. "Oh my aching shoulder!" Willowbrook Athletic Club, Lisle, Illinois, September 19, 1995.
9. "Oh my aching shoulder!" Four Lankes Athletic Club, Lisle, Illinois, September 12, 1995.
10. Total Shoulder Arthroplasty for Osteoarthritis, 1st Annual DePuy/Prosource Surgeon's Meeting, Warsaw, Indiana, September 8, 1995.
11. Total Shoulder Arthroplasty for Osteoarthritis, 1st Annual DePuy/Prosource Surgeon's Meeting, Warsaw, Indiana, September 8, 1995.
12. Occupational Shoulder Disorders, Comprehensive Rehabilitation Associates, Oak Brook, Illinois, August 11, 1995.
13. Total Shoulder Arthroplasty: Pearls and Pitfalls, Visiting Professor, McLaren Regional Medical Center, Flint, Michigan, June 10, 1995.
14. Rotator Cuff Surgery: Technique and Effectiveness, Visiting Professor, McLaren Regional Medical Center, Flint, Michigan, June 10, 1995.
15. Rehabilitation After Rotator Cuff Repairs and ACL Reconstruction, Case Managers Conference, DirectCare, Skokie, Illinois, April 21, 1995.
16. Shoulder Scoring Systems—The Lack of a Gold Standard, Romeo A.A., O'Halloran K., Bach Jr., B.R., AOSSM Specialty Day, AAOS 62nd Annual Meeting, Orlando, FL, February 19, 1995.

17. Capsuloligamentous Restraint To Glenohumeral Motion, Romeo A.A., Rhee Y.G., Harryman II, D.T., Sidles J.A., Matsen III, F.A., AAOS 62nd Annual Meeting, Orlando, FL, February 17, 1995.
18. Occupational Shoulder Disorders, Comprehensive Rehabilitation Associates, Rosemont, IL, February 1, 1995.
19. A Physician's Approach to the Industrial Worker and Shoulder Dysfunction, Seminar, Accelerated Rehabilitation Center, Lincoln Park, Chicago, IL, January 26, 1995.
20. Shoulder Instability, Grand Rounds, Department of Orthopaedic Surgery, Northwestern University, Chicago, IL, January 13, 1995.

1994:

1. Subacromial Impingement, Romeo A.A., Williams, D. Dupage County Orthopaedic Study Group, December 13, 1994.
2. Shoulder Dislocation: Diagnosis and Management, and Return to Play, Course: Current Concepts in the Treatment of the Young Adult Athlete, MacNeal Hospital, Berwyn, IL, August 13, 1994.
3. Failures of Shoulder Surgery: Analysis of 150 Cases Presenting to a Referral Center, Romeo A.A.: Matsen III, F.A., MAOA Annual Meeting, Bermuda, April 24, 1994.
4. Shoulder Instability: The balance of mobility and stability, Presented at the University of Chicago, Grand Rounds, March 16, 1994.
5. Failures of Shoulder Surgery: Analysis of 150 Cases Presenting to a Referral Center, Romeo A.A., Matsen III, F.A., AAOS Annual Meeting, New Orleans, February 26, 1994.
6. Subacromial Impingement, Dupage County Orthopaedic Study Group, Oak Brook Terrace, IL, February 8, 1994.

1993:

1. Diagnosis and Management of Fractures, Medical students, Rush Medical College, December 13, 1993.
2. Shoulder Anatomy, Residents, Department of Orthopaedic Surgery, Rush Medical College, September 2, 1993.
3. The Humeroscapular Motion Interface, University of Washington, Department of Orthopaedics, Resident Research Days 1993, June 18, 1993.
4. Common Shoulder Problems, Department of Family Medicine, University of Washington, Seattle, Washington, October 14, 1992.
5. Evaluation of the Shoulder, University of Washington Medical Students, Seattle, Washington, July 15, 1993.

1990-1992:

1. Operative Treatment of Pathological Fractures of the humerus Secondary to Metastatic Disease. Romeo A.A., Marks K.E.
 1st Presentation—9th Annual Meeting of Mid-America Orthopaedic Association, Palm Springs, California, April 1991.
 2nd Presentation—1991 AOA Resident’s Conference, Kansas City, Missouri, April 1991.
 Poster Presentation—The 104th Annual Meeting of the American Orthopaedic Association, Palm Beach, Florida, June 1991.
2. Hallux Valgus and Great Toe Function, Romeo A.A., Alexander I.J., DeLozier G.: American Orthopaedic Foot and Ankle Society, Annual Summer Meeting, Banff, Canada, June 1990.

COURSES/INSTRUCTION:

2001:

1. Faculty—“ALEX” Shoulder Model Workshop, Arthroscopy and Reconstructive Surgery 2001, Sun Valley, Idaho, January 15, 2001.

2000:

1. **Faculty/Lab Instructor—Total Shoulder: Exposure/Replacement Surgery, Saddleback Memorial Medical Center in Conjunction with the Sports Clinic Orthopaedic Medical Associates, Inc., Shoulder Surgery Controversies 2000, Costa Mesa, California, October 8, 2000.
2. **Faculty/Lab Instructor—Workshop on Shoulder Prosthesis. International Shoulder Course—Arthroscopy and Surgery. Munich, Germany, September 30, 2000.
3. **Faculty/Lab Instructor—Workshop on Rotator Cuff Subacromial Surgery. International Shoulder Course—Arthroscopy and Surgery. Munich, Germany, September 29, 2000.
4. **Faculty/Lab Instructor—Shoulder Instability Workshop. International Shoulder Course—Arthroscopy and Surgery. Munich, Germany, September 28, 2000.
5. Faculty/Lab Instructor, The Summer Institute 2000 American Academy of Orthopaedic Surgeons, Toronto, Ontario, Canada, September 8-10, 2000.
6. Open Shoulder Surgery Lab Instructor, San Diego Shoulder 2000: Arthroscopy, Arthroplasty, Fractures, San Diego, California. June 16, 2000.
7. Shoulder Arthroscopy Lab Instructor, San Diego Shoulder 2000: Arthroscopy, Arthroplasty, Fractures, San Diego, California, June 16, 2000.
8. Lab Instructor, Total Shoulder Workshop, San Diego Shoulder 2000: Arthroscopy, Arthroplasty, Fractures, San Diego, California, June 14, 2000.
9. Chairman, Course Organizer, Faculty, Arthroplasty Course, Chicago, Illinois, April 1-2, 2000.
10. Course Attendee, Shoulder Arthroplasty—Past and Future, Institute de la Main, Palais des Congres, Paris, France, January 24-25, 2000.

11. Faculty/Instructor, Duke Shoulder Arthroplasty Course, Durham, North Carolina, January 15-16, 2000.
12. Faculty, Metcalf Memorial Meeting, Scottsdale, Arizona, January 13, 2000.

1999:

1. Faculty/Lab Instructor/Panelist, AAOS Shoulder Course, Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium, Rosemont, Illinois, December 10-12, 1999.
2. Faculty/Break-Out Session Director, Lake Tahoe Knee and Shoulder Update, Lake Tahoe, Nevada, December 3-5, 1999.
3. Faculty, Michigan Shoulder Symposium, The University of Michigan Shoulder Group, Ann Arbor, Michigan, November 4, 1999.
4. Faculty/Lab Instructor, Shoulder Surgery Controversies 1999, Saddleback Memorial Medical Center, Laguna Hills, California, October 29, 1999.
5. Course Chairman, "The Masters Experience" Advanced Shoulder Arthroscopy course, Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, October 15, 1999.
6. Course Chairman, Notre Dame Orthopaedic Society, University of Notre Dame, Center for Continuing Education, Notre Dame, Indiana, October 8, 1999.
7. Faculty, Shoulder Symposium, 12th Annual International Symposium for Technology in Arthroplasty, Chicago, Illinois, September 25, 1999.
8. Workshop Moderator, Case Presentations and Discussion of Shoulder Arthroplasty, Tornier Workshop, Congress of the European Society for Surgery of the Shoulder and Elbow, The Hague, The Netherlands, September 9, 1999.
9. Faculty/Lab Instructor, Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium, AAOS Course #3509, Orthopaedic Learning Center, Rosemont, Illinois, July 9-11, 1999.
10. Faculty/Lab Instructor, San Diego Shoulder Arthroscopy and Arthroplasty Course, San Diego, California, June 23-26, 1999.
11. Course Chairman/Lab Instructor, 3rd Annual Chicago Shoulder Arthroplasty Course, Rosemont, Illinois, June 18-19, 1999.
12. Faculty/Lab Instructor, Current Concepts of Shoulder and Elbow Surgery, University of South Florida College of Medicine, Tampa, Florida, June 3-5, 1999.
13. Faculty, AAOS Shoulder Course, The Shoulder: A Comprehensive View, Panama City, Florida, April 14-18, 1999.
14. Faculty, Shoulder Arthroplasty, 9^{emes} Journées Lyonnaises, Lyon, France, April 9, 1999.

15. Faculty, Metcalf Memorial; Arthroplasty and Reconstruction, Sun Valley, Idaho, January 9-16, 1999.

1998:

1. Course Faculty, Workshop Instructor, 1998 Tahoe Knee and Shoulder Update, Lake Tahoe, Nevada, December 10-13, 1998.
2. Course Faculty, Workshop Director, Facioscapulohumeral Dystrophy Society Annual Meeting, Denver, Colorado, October 31, 1998.
3. Chairman, Program Director, Third Annual Notre Dame Orthopaedic Symposium, Notre Dame, Indiana, October 2, 1998.
4. Course Faculty, The Ten Most Common Orthopaedic Procedures, Summer Institute, American Academy of Orthopaedic Surgeons, Chicago, Illinois, September 12-13, 1998.
5. Lab Instructor, Shoulder Course, Summer Institute, American Academy of Orthopaedic Surgeons, Chicago, Illinois, September 9-11, 1998.
6. Course Faculty, Chicago Orthopaedic Board Review Course, Sponsored by Compass Medical Education Network, Chicago, Illinois, July 13-15, 1998.
7. Faculty/Lab Instructor, San Diego Shoulder Arthroscopy and Arthroplasty Course, San Diego, California, June 1998.
8. Chairman, Program Director, The Aequalis Shoulder Arthroplasty System, Second Annual Chicago Course, Sponsored by Tornier S.A., Houston, Texas, Orthopaedic Learning Center, Rosemont, Illinois, May 9-10, 1998.
9. Course Faculty/Lab Instructor, Electrothermal Arthroscopy Training Course, sponsored by Oratec Interventions, Inc., Orthopaedic Learning Center, Rosemont, Illinois, May 7, 1998.
10. Lab Instructor, Electrothermal Arthroscopy Training Course, sponsored by Oratec Interventions, Inc., Wyndam Riverfront Hotel, New Orleans, Louisiana, March 18, 1998.
11. Co-Chairman, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 27-March 1, 1998.
12. Attendee, Current Concepts in Shoulder Arthroplasty and Arthroscopy, Lake Buena Vista, Florida, February 13-14, 1998.
13. Course Faculty/Lab Instructor, Current Concepts of Shoulder and Elbow Surgery, The University of South Florida College of Medicine, January 22-24, 1998, Tampa, Florida.
14. Attendee, The Second Advanced Course on Shoulder Arthroscopy, Congress et Seminaires, January 18-21, 1998, Val D'Isere, France.

1997:

1. Course Faculty/Moderator, Open and Arthroscopic Shoulder Surgery: Current Concepts and Techniques, December 5-7, 1997, American Academy of Orthopaedic Surgeons, Orthopaedic Learning Center, Rosemont, Illinois.
2. Course Faculty, Shoulder Surgery: Focused Perspectives on Open vs. Arthroscopic Management, December 6, 1997, Orthopaedic Learning Center, Rosemont, Illinois.
3. Course Faculty, Open and Arthroscopic Shoulder Surgery: Current Concepts and Techniques, July 11-13, 1997, Orthopaedic Learning Center, Rosemont, Illinois.
4. Attendee, Autologous Cartilage Implantation Program, Genzyme Corporation, Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois, June 13-14, 1997.
5. Chairman, Program Director, The Aequalis Shoulder Arthroplasty System, Sponsored by Tornier S.A., Saint-Ismier, France, Chicago Hilton Towers, Chicago, Illinois, April 18-20, 1997.
6. Co-Chairman, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 28-March 2, 1997.

1996:

1. Faculty, AO/Synthes Community Fracture Symposium, Chicago, Illinois, October 16, 1996.
2. Program Director, Moderator, Notre Dame Orthopaedic Symposium, University of Notre Dame, Notre Dame, Indiana, September 13, 1996.
3. Course Faculty, "The Masters Experience" Knee Arthroscopy Comprehensive Course, sponsored by the Arthroscopy Association of North America, Course directors: Christopher D. Harner, Craig Morgan, Orthopaedic Learning Center, Rosemont, Illinois, August 3-4, 1996.
4. Lab Instructor, AAOS Course #335: Complex Instability of the Sports Knee: An Indepth Look at Treatment Alternatives, April 26-28, 1996, Orthopaedic Learning Center, Rosemont, Illinois.
5. Faculty Member, AAOS Course #334: Strategic Approaches to Shoulder Instability, Fractures, and Reconstruction, April 19-21, 1996, Orthopaedic Learning Center, Rosemont, Illinois.
6. Faculty Member and Moderator: Open Treatment of Shoulder Instability, Live cadaver dissection, Sports Medicine Symposium, Steadman-Hawkins Sports Medicine Foundation, Vail, Colorado, March 15, 1996.

1995:

1. Course Faculty, "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Course director: Howard Sweeney, Orthopaedic Learning Center, Rosemont, Illinois, July 22-23, 1995.
2. Lab Instructor, AAOS Course #316: Arthroscopic and Open Approaches to Shoulder Surgery: The Debate Continues, November 10-12, 1995, Orthopaedic Learning Center, Rosemont, Illinois.

3. Course Faculty, “The Masters Experience” Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Course director: Eugene Wolf, Orthopaedic Learning Center, Rosemont, Illinois, July 22-23, 1995.

1984-1994:

1. Lab Instructor, AAOS Course #473: Surgical Techniques for the Management of the Painful Shoulder, November 17-19, 1994, Orthopaedic Learning Center, Rosemont, Illinois.
2. Course Faculty, “The Masters Experience” Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Course director: Gary Poehling, Orthopaedic Learning Center, Rosemont, Illinois, October 15-16, 1994.
3. Faculty, AAOS Course #339: The Shoulder in 1993: State-of-the-Art, March 31-April 3, 1993, Waikoloa, Hawaii.
4. Gross Anatomy Instruction, Orthopaedic Residency Program, University of Washington, Seattle, Washington, Topics: Shoulder, Arm, Elbow, Forearm.
5. Lab Instructor, Shoulder Course (#701), Summer Institute, September 19-23, 1992, Seattle, Washington.
6. Anatomy Workshop Director, The Shoulder Complex: Basic and Advanced Strategies for Successful Management, Cleveland, Ohio, November 22-23, 1991.
7. Gross Anatomy Instruction, Department of Physical Therapy, Cleveland Clinic Foundation, 1988-1991.
8. Lab Instructor, Gross Anatomy, Department of Physical Therapy, St. Louis University, 1984.

CME COURSES:

2001:

1. AANA 20th Annual Meeting—Course #205—Arthroscopy Association of North America, Seattle, Washington, April 19-22, 2001. (CME Credits: 16 hours - Category I)
2. Comprehensive Sports Medicine, The Athletic Perspective to Treatment, Controversies and Problem Solving—Course #3350—American Academy of Orthopaedic Surgeons, Lake Tahoe, Nevada, January 31—February 4, 2001. (CME Credits: 22 hours – Category 1)
3. 2001 Annual Dale Daniel, MD Orthopedic Symposium – Kaiser Foundation Hospital, Los Angeles, Anaheim, California, January 27, 2001. (CME Credits: 6.5 hours – Category 1)

2000:

1. Arthroscopy Association of North America 19th Fall Course – Course #106E Elbow Lecture – Arthroscopy Association of North America, Palm Desert, California, November 17, 2000. (CME Credits: 1.5 hours – Category 1)

2. Arthroscopy Association of North America 19th Fall Course – Course #104 and #105 – Arthroscopy Association of North America, Palm Desert, California, November 16-19, 2000. (CME Credits: 7 hours)
3. The Shoulder: Advances in Open and Arthroscopic Techniques - #3563 – American Association of Orthopaedic Surgeons, Rosemont, Illinois, October 27-29, 2000. (CME Credits: 22 hours, Category 1)
4. Evaluation and Management of Common Shoulder Disorders – American Academy of Orthopaedic Surgeons, Rosemont, Illinois, October 28, 2000. (CME Credits: 8, Category 1)
5. The Summer Institute 2000 American Academy of Orthopaedic Surgeons, Toronto, Ontario, Canada, September 8-10, 2000. (CME Credits: 16 hours)
6. “The Masters Experience” Elbow Arthroscopy Course, Rosemont, Illinois, July 22-23, 2000. (CME Credits: 17.5 hours, Category 1 of The Physician’s Recognition Award of the American Medical Association)
7. Advanced Concepts in Shoulder and Elbow Arthroplasty and Arthroscopy, Seabrook Island, South Carolina, May 18-21, 2000. (CME Credits: 10 hours, Category 1)
8. The Masters Experience, Romeo A.A., Arthroscopy Association of North America, Rosemont, Illinois, June 2-4, 2000. (CME Credits: 18.5 hours, Category 1)
9. Mid-America Orthopaedic Association, 18th Annual Meeting, Scottsdale, Arizona, April 26-30, 2000. (CME Credits: 19 hours, Category 1)
10. Outcome Analysis of Arthroscopic Bankart Repair Using Suture Anchors: Minimum 2 Year Follow-Up. Romeo A.A., 19th Annual Meeting, Arthroscopy Association of North America, Miami Beach, Florida, April 16, 2000.
11. Arthroscopic Repair of Type II SLAP Lesions in Worker’s Compensation Patients: 2-5 Year Follow-Up, Romeo A.A., 19th Annual Meeting, Arthroscopy Association of North America, Miami Beach, Florida, April 15, 2000.

1999:

1. AAOS Shoulder Course, Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium, Rosemont, Illinois, December 10-12, 1999. (CME Credits: 21 hours, Category 1)
2. “The Master Experience” Advanced Shoulder Arthroscopy Course, Orthopaedic Learning Center, Rosemont, Illinois, October 15-17, 1999. (CME Credits: 18.5 hours, Category 1)
3. Open and Arthroscopic Shoulder Surgery: Approaches for the New Millennium, AAOS Course #3509, Orthopaedic Learning Center, Rosemont, Illinois, July 9-11, 1999. (CME Credits: 21 hours, Category 1)
4. Faculty/Lab Instructor, San Diego Shoulder Arthroscopy and Arthroplasty Course, San Diego, California, June 1998. (CME Credits: 21 hours, Category 1)
5. Current Concepts of Shoulder and Elbow Surgery, Tampa, Florida, June 3-5, 1999 (CME: 20 hours, Category 1)

6. Metcalf Memorial: Arthroscopy and Reconstruction, Sun Valley, Idaho, January 9-16, 1999. (CME Credits: 23, Category 1)

1998:

1. 1998 Tahoe Knee and Shoulder Update, Lake Tahoe, Nevada, December 10-13, 1998. (CME Credits: 25, Category 1)
2. Worker's Compensation Case Management: A Multidisciplinary Perspective, American Academy of Orthopaedic Surgery, Seattle, Washington, November 5-8, 1998. (CME Credits: 23, Category 1)
3. Outcomes, Effectiveness, and Accountability in Musculoskeletal Surgery: The Elements of a Data-Driven Practice, AAOS Course #441, Chicago, Illinois, July 31-August 2, 1998. (CME Credits: 17, Category 1)
4. AAOS Comprehensive Shoulder and Elbow Course/ASES First Open Shoulder and Elbow Meeting, Kiawah Island, South Carolina, April 23-26, 1998. (CME Credits: 24, Category 1)
5. "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, February 28-March 2, 1997. (CME Credits: 19, Category 1)
6. Current Concepts in Shoulder Arthroplasty and Arthroscopy, Buena Vista Palace, February 13-14, 1998, Lake Buena Vista, Florida. (CME Credits: 10.5, Category 1)
7. Current Concepts of Shoulder and Elbow Surgery, The University of South Florida College of Medicine, January 22-24, 1998, Tampa, Florida. (CME Credits: 11, Category 1)

1997:

1. Open and Arthroscopic Shoulder Surgery: Current Concepts and Techniques, December 5-7, 1997, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 22, Category 1)
2. Shoulder Surgery: Focused Perspectives on Open vs. Arthroscopic Management, December 6, 1997, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 7, Category 1)
3. University of Michigan Shoulder Symposium, Ann Arbor, Michigan, September 30, 1997. (CME Credits: 5, Category 1)
4. Open and Arthroscopic Shoulder Surgery: Current Concepts and Techniques, July 11-13, 1997, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 20, Category 1)
5. "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, February 28-March 1, 1997, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 16, Category 1)

1996:

1. "The Masters Experience" Knee Arthroscopy Comprehensive Course, sponsored by the Arthroscopy Association of North America, Orthopaedic Learning Center, Rosemont, Illinois, August 3-4, 1996. (CME Credits: 16, Category 1)
2. AAOS Course #335: Complex Instability of the Sports Knee: An In-Depth Look at Treatment Alternatives, April 26-28, 1996, Orthopaedic Learning Center, Rosemont, Illinois (CME Credits: 20, Category 1)
3. AAOS Course #334: Strategic Approaches to Shoulder Instability, Fractures, and Reconstruction, April 19-21, 1996, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 20, Category 1)
4. Issues in Orthopaedics: Clinical Results and Economic Outcomes, March 14-16, 1996, Vail, Colorado. (CME Credits: 4, Category 1)
5. Sports Medicine Symposium, Steadman-Hawkins Sports Medicine Foundation, Vail, Colorado, March 15, 1996. (CME Credits: 4, Category 1)
6. American Academy of Orthopaedic Surgeons Annual Meeting, February 1996, Atlanta, Georgia. (CME Credits: 30.5, Category 1)
7. Specialty Day Meeting of the American Shoulder and Elbow Surgeons, February 1996, Atlanta, Georgia. (CME Credits: 7.5, Category 1)
8. "The Masters Experience" shoulder arthroscopy course, sponsored by the Arthroscopy Association of North America, February 3-4, 1996, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 16, Category 1)

1995:

1. AAOS Course #316: Arthroscopic and Open Approaches to Shoulder Surgery: The Debate Continues, November 10-12, 1995, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 23, Category 1)
2. "The Masters Experience" Shoulder Arthroscopy course, sponsored by the Arthroscopy Association of North America, July 22-23, 1995, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 16, Category 1)
3. American Academy of Orthopaedic Surgeons Annual Meeting, February 1995, Orlando, Florida. (CME Credits: 30.5, Category 1)
4. Specialty Day Meeting of the American Orthopaedic Society for Sports Medicine, February 19, 1995, Orlando, Florida. (CME Credits: 17, Category 1)
5. Specialty Day Meeting of the American Shoulder and Elbow Surgeons, February 19, 1995, Orlando, Florida. (CME Credits: 7.5, Category 1)
6. The Rotator Cuff, International Course Lecture, AAOS Annual Meeting, February 17, 1995, Orlando, Florida.
7. Trauma and Reconstructive Surgery of the Elbow, Instruction Course Lecture, AAOS Annual Meeting, February 16, 1995.

8. Computer Applications for the Orthopaedic Surgeon: CD-ROM and Beyond, Instructional Course Lecture, AAOS Annual Meeting, February 18, 1995.
9. The Unstable Shoulder, Instructional Course Lecture, AAOS Annual Meeting, February 20, 1995, Orlando, Florida.

1994:

1. Lab Instructor, AAOS Course #473: Surgical Techniques for the Management of the Painful Shoulder, November 17-19, 1994, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 23, Category 1)
2. "The Masters Experience" Shoulder Arthroscopy Course, sponsored by the Arthroscopy Association of North America, October 15-16, 1995, Orthopaedic Learning Center, Rosemont, Illinois. (CME Credits: 16, Category 1)
3. Mid-America Orthopaedic Association 12th Annual Meeting, March 1994, Southampton, Bermuda. (CME Credits: 23, Category 1)
4. Arthroscopic Evaluation and Treatment of Shoulder Instability, AAOS Annual Meeting, February 28, 1994, New Orleans, LA.
5. American Academy of Orthopaedic Surgeons Annual Meeting, February 1994, New Orleans, Louisiana. (CME Credits: 30.5, Category 1)
6. Elbow Arthroscopy, AAOS Annual Meeting, February 28, 1994, New Orleans, LA.
7. The Shoulder: Rotator Cuff Repair, AAOS Annual Meeting, February 28, 1994, New Orleans, LA.
8. Management of Complex Fractures: Problems and Solutions, Second Annual Course, January 21-22, 1994, Vail, CO.
9. State-of-the-Art: Total Hip and Knee Replacement, Eighth Annual Course, January 23-28, 1994, Vail, CO.

1993:

1. ACL, PCL Injuries, AAOS Course, April 30-May 2, 1993, Tucson, Arizona.
2. AAOS Course #339; The Shoulder in 1993: State-of-the-Art, March 31-April 3, 1993, Waikoloa, Hawaii.
3. Hand, Wrist, Elbow Session, AAOS Summer Institute, Seattle, Washington, September 19-20, 1993.
4. Shoulder Session, AAOS Summer Institute, Seattle, Washington, September 21-23, 1993.

1989-1992:

1. Regional Review Course in Hand Surgery, ASSH, October 3-4, 1992, Portland, Oregon.

2. Arthroscopy Association of North America, Annual Meeting, Orlando, Florida, 1991.
3. AO/ASIF Basic Course, October 1991, New York, New York.
4. Foot and Ankle Review Course, AOFAS, Milwaukee, Wisconsin, October 13-14, 1990.
5. Prosthetic-Orthotics Course, Lower and Upper Limb Prosthetics for Physicians and Surgeons, Northwestern University Medical Center, Chicago, Illinois, December 4-8, 1989.

RUSH ORTHOPAEDIC DEPARTMENT RESIDENT LECTURES

Complex and Revision Rotator Cuff Surgery
Anatomy of the Shoulder
Clinical Assessment of the Shoulder
Shoulder Instability
Shoulder Biomechanics
Subacromial Impingement
Shoulder Scoring Systems/Outcome Studies
Shoulder Arthroplasty
PCL Injuries
Clavicle, AC, and SC joint injuries
Posterior Shoulder Instability
Shoulder Arthroscopy
Surgical Management of Shoulder Arthritis
Elbow Arthroscopy
Arthroscopic Shoulder Stabilization
Proximal Humerus Fractures
Superior Labral Injuries
Frozen Shoulder

Other:

Moderator, Journal of Bone and Joint Surgery Journal Club, Department of Orthopaedic Surgery, Rush-Presbyterian-St. Luke's Medical Center.
