

When Only the Best Will Do.

At Midwest Orthopaedics at Rush, great orthopaedic care is par for the course.

If your body is hurting your golf game—or your golf game is hurting your body—turn to the physicians at **Midwest Orthopaedics at Rush**.

MOR physicians have been pioneers in the field of orthopaedic medicine and especially in joint replacement and spine care. We offer the most advanced and innovative surgical techniques including hip resurfacing, minimally invasive joint replacement and disc replacement surgery. These procedures not only help patients return to normal daily activities such as golf, but in some cases even **help improve their games!**

U.S. News & World Report ranks the orthopaedic program at RUSH University Medical Center as #8 in the nation and is the top-ranked program in Illinois. In addition, Central DuPage Hospital was recently ranked #37 for orthopaedics nationally as well.

For more information about the spine and joint reconstruction surgeons at Midwest Orthopaedics at Rush or to schedule an appointment, call us toll free at **877 MD BONES** or visit us online at **www.rushortho.com**.
