### **Foot and Ankle: George B. Holmes, Jr., M.D.; Simon Lee, M.D.; Johnny Lin, M.D.**

The foot and ankle surgeons of MOR have extensive experience with all surgical and non-surgical conditions of the foot and ankle. They treat and specialize in sports related injuries, diabetic related complications, tendon dysfunction, arthritic disease, flat foot disorder bunions, and lesser toe deformities.

### **Pediatric Orthopedics: Monica Kogan, M.D.**

Dr. Monica Kogan is passionate about caring for children with orthopedic problems, ranging from simple fractures to more complex issues such as clubfoot, pediatric trauma, birth defects, developmental dysplasia, neurologic dysfunction, scoliosis, and walking disorders.

### **Orthopedic Oncology: Steven Gitelis, M.D.; Walter Virkus, M.D.**

Drs. Steven Gitelis and Walter Virkus combine compassionate cancer care with the most advanced surgical reconstructive techniques available today. Leaders in the treatment of bone and soft tissue tumors, they treat more bone and soft tissue cancer patients than any other program in the region.

### **Orthopedic Trauma: Walter Virkus, M.D.**

Specially trained in orthopedic trauma and fracture care, Dr. Virkus treats both non-operative and surgical trauma cases, utilizing the most effective leading-edge techniques including minimally invasive surgery, advanced external fixation, bone graft substitutes, and bone-forming proteins.
